Nyla-Bones

Edible Chews for Dogs

No added plastic, salt, sugar, & color additives

Nyla-bones are 100% edible and digestible not to mention they are great in helping to keep teeth strong and clean. Available in a variety of flavors you are sure to find one to please your pet's taste buds. We even offer Spearmint flavor for those dogs who are a little offending when they give you that big kiss. Try out all of these flavors each available in 3 different sizes to help keep your dogs teeth clean. Quench that chewing urge naturally.
